SKILLS

- **Languages:** Java, C++, C, Python, R Programming
- **Framework:** HTML and CSS
- **Tools/Platforms:** Advance Excel, Tableau, MySQL, R studio, VS studio
- **Soft Skills:** Problem-Solving, Adaptive Learner

PROJECTS

- **Snake Game | Python** March 2024 - May 2024
Developed and implemented a classic Snake Game using Python's Turtle graphics library. Integrated real-time user controls, random food spawning, and dynamic score tracking for an interactive gaming experience. Focused on event-driven programming to enhance responsiveness and gameplay mechanics.
- **Housing Price Classification | R** September 2024 - November 2024
Designed and implemented a classification model to categorize housing prices as "High" or "Low" based on key features like bedrooms, bathrooms, parking spaces, and stories. Utilized k-NN, Naive Bayes, and Decision Tree models for classification. Preprocessed data and evaluated model accuracy using the caret package. Compared model performance to explore machine learning classification techniques for real estate pricing applications.
- **Sales Insights Dashboard| Tableau** September 2024 - November 2024
Created a Dashboard using : Tableau, Data Visualization, KPI Analysis Designed and developed an interactive Tableau dashboard to analyze key sales metrics, including total sales, profit, and quantity sold. The dashboard visualizes state-level performance, segment-based sales trends, and year-over-year comparisons to identify business growth opportunities. By handling large datasets efficiently and implementing interactive filters, it enhances usability and provides a seamless analytical experience.

CERTIFICATES

- Data Structure & Algorithm - Interview Preparation|cipherschools Septemper 2024
- Data Structure and Algorithm|GeeksForGeeks May 2024
- R programming|Coursera Jan2024

ACHIEVEMENTS

- **Data Science Lead | Google Developer Student Club** April 2023
Managed Data Science and Machine Learning Bootcamps for 150+ students, overseeing Python, R, and SQL training in a collaborative environment.
- **Social Work Lead | NSS** January 2023
Coordinated outreach programs and awareness campaigns, using data-driven approaches to address social issues and enhance impact.

EDUCATION

- **Lovely Professional University** Punjab, India
Bachelor of Technology - Computer Science and Engineering; *Since August 2022*
CGPA :7.06
- **Dev Murat Singh Girls Inter College** Prayagraj, India
Intermediate; Percentage: 74.0% *April 2019 - March 2021*
- **Dev Murat Singh Girls Inter College** Prayagraj, India
Matriculation; Percentage: 81.2% *April 2017 - March 2019*
